STATEMENT OF PURPOSE

The Disabled and Retired Police Officers Educational Fund (DRPOEF) was established to help fill a void in the lives of many police officers separated from the career they loved, either by voluntary retirement or forced separation due to a disabling injury. Too often officers find themselves unprepared, untrained or undereducated for meaningful civilian employment. With ten years of experience in counseling retired and disabled police officers, the founders of the DRPOEF determined several constant factors existed. With appropriate career counseling, most officers score high in many career fields, but unfortunately, many of those career fields require college degrees or vocational training that many of the officers cannot afford to pursue on their own. With limited pensions, college or trade school tuition and books is often beyond their means. The DRPOEF intends to provide this much needed bridge to the future of these hereos in our communities. The DRPOEF Mission is to provide financial scholarships to those disabled and retired law enforcement officers requesting them, funds permitting. Annual scholarships of up to $1,000.00 per year will be awarded to those officers that apply and qualify. Officers may apply and qualify on an annual basis for these scholarship awards. The DRPOEF is committed to helping these gallant officers achieve their goal of becoming a productive and gainfully employed citizen in their community. Obtaining and performing a job or trade that they have chosen for themselves. There are no limits as to how many scholarships a disabled or retired officer may receive. They are committed to achieve their goal and our goal is to assist them in that achievement.
