Texas Police Chiefs Association
Public Notice

The Texas Police Chiefs Association was founded in 1958 to promote, encourage, and advance the professional development of Chiefs of Police and senior police management personnel throughout the State of Texas. TPCA is the "only official state law enforcement administrator's organization in Texas" and as such, it is concerned, on a statewide basis, with all issues involving the criminal justice system.

The funds from this sponsorship effort are needed to:

- facilitate a full-time Executive Director, General Counsel, and office staff in an office in the Austin area;
- provide technical support and resource for members and other law enforcement organizations and associations;
- provide police chief training;
- work closely with the state legislature on issues affecting the Criminal Justice System;
- promote an understanding of the Law Enforcement management progression among the general public;
- promote community and police involvement through: Community Policing Concept, Citizen Police Academy & Alumni, and Law Enforcement Torch Run for Special Olympic Youth, etc.;
- give financial support to the Texas Police Chiefs Association Foundation.
