STATEMENT OF PURPOSE

Purpose Statement

The Law Enforcement Education Program (LEEP) is a charitable organization which provides educational programs and materials to school children of all ages on topics from drinking and driving to programs regarding 911.

Statement of Activities

The Law Enforcement Education Program promotes numerous programs, including S.O.S. (Students on Sobriety), which is an education program for teens concerning the legal, financial and human costs of drinking and driving. Law enforcement speaker bureau officials visit high schools to deliver the message of the dangers and penalties of drinking and driving. Additionally, a video has been developed of the SOS program for high schools wishing to conduct their own assemblies. This program is presented free-of-charge to all high schools.

Donations are also being used to expand the SOS program nationwide and to develop additional education programs such as the "911! Your Friend" video, which educates children on HOW and WHEN to call 911. This video will also be distributed free-of-charge to elementary schools, police and fire departments.
