Claim Number: VC12345678

Victim Name: Jane Doe

Crime Date: 12/01/2024

I am writing to appeal the decision to deny my application based on a finding that the crime could not be substantiated because the investigation was incomplete or ongoing. I disagree with this decision because the investigation is now complete and the suspect who committed the crime has been charged with assault.

In support of my claim, I have included the following evidence or documentation: the document that shows that the suspect was charged with assault.

Therefore, I am requesting a reconsideration of the decision I received.

Sincerely,

Jane Doe
